## Grant Process Protocols

- **Requests are accepted from September 1 through May 20**, or until funds are depleted, whichever occurs first
- **Please spend all the grant funds on the student.** Leftover funds over \$5.00 MUST be sent as a check to the OEA Foundation within 30 days.
- **Grant recipients are obligated to furnish receipts to the OEA Foundation**
  - o *Failure to provide a receipt within 30 days renders recipients ineligible for funding from the OEA Foundation until the ensuing academic year*

## Maximum Award Amounts

**\$3,000**

per worksite within a school year for **K-12**

**\$5,000**

per worksite within a school year for **community colleges**

# Additional Grant Requirements

## FOR MEMBERS

- Individuals seeking grant funding are **required to hold an Active membership status** with the Oregon Education Association (OEA)
- Active OEA Members must **primarily be employed at the site attended by the student** for whom the funds are being sought
- Grant disbursement is contingent upon availability and necessitates pre-approval via the grant application procedure
- Grant recipients (OEA Members) are expected to conduct all transactions utilizing the allocated funds and are urged to **optimize funds to address the critical needs of their students**.
  - *Funds are prohibited from being transferred to parents, students, or any other parties for personal expenditures*
  - *Brand name purchases are discouraged as they diminish the scope of the allocated funds*
  - *The determination of 'critical need' is contingent upon the member furnishing specific information to substantiate the funding request*

## FOR STUDENTS

- **Each student may only receive one grant of \$100 within a school year** (Sept. 1 - May 20)
  - *Grantees who have applied on behalf of multiple students may receive a check that totals over \$100*
  - *In exceptional circumstances, the OEA Foundation Board reserves the right to adjust this amount (please anticipate extended processing duration for such requests)*
- **Allocation of grant funds is intended solely for the student specified in the grant application**
  - *Each student requires a separate application, as funds are not allocated for groups or classrooms*
- Reimbursement for gift cards for students is strictly prohibited
- Bulk grant submissions by a single OEA Member on behalf of a class, group, or sports team will not be approved
  - *Applications will be monitored to ensure equitable fund distribution*

## Help Spread the Word!

The OEA Foundation encourages grant recipients to **help increase Foundation donations and participation by publicizing the donation and grant process with your community**.
