There have been many updates and changes made to these programs, and the information you need to know is often times hard to find. **September 30th is a deadline for action that needs to be taken. Don't miss it!** NEA MB has gathered the latest information as it applies to our members and will share that information with you during this workshop. In addition, we have a FREE online tool that will help you navigate your way to forgiveness. Come learn about the latest federal programs and how to access the NEA Student Debt Navigation Tool.
